These Terms govern use of the public website. They do not replace the separate Order Form and Business Terms of Service that govern an accepted website build, hosting, maintenance or support service.

1. ABOUT US

- 1.1 freewebsitewizards.com is operated by Integral Digital Technologies Ltd, trading as **Free Website Wizards**. We are registered in England and Wales under company number 13682575.
- 1.2 Our registered office is Office 6, St. Pauls Road, Newton Abbot, Devon, England, TQ12 2HP. You can contact us at **info@freewebsitewizards.com**.

2. ACCEPTANCE OF THESE TERMS

- 2.1 By accessing or using the website, you agree to these Terms. If you do not agree, you must not use the website.
- 2.2 You must be at least 18 years old to submit a service application or enter into a contract through the website. If you act for an organisation, you confirm that you are authorised to act for it.
- 2.3 Additional terms may apply to particular features, promotions or services. If you become a client, the accepted Order Form and Business Terms of Service will govern the service relationship and will take priority over these Website Terms where they conflict.

3. OUR CONDITIONAL FREE-WEBSITE OFFER

- 3.1 References to a free website or free website build mean that we waive a separate upfront design and development charge for an accepted build, subject to the applicant entering into and paying for the maintenance, support and hosting service described in the applicable Order Form and Business Terms of Service.
- 3.2 The subscription, initial advance payment, optional work, third-party costs, early-termination charges and any agreed design-release fee are not free.
- 3.3 Submitting an application or enquiry does not guarantee acceptance, create a service contract or oblige us to undertake a build. A service contract is formed only in the manner stated in the Business Terms of Service and completed Order Form.
- 3.4 Website descriptions, examples, estimated timescales and indicative prices are general information. The scope, charges, minimum term, included support and design-release fee for a client are those stated in the accepted contractual documents.

4. PERMITTED USE

- 4.1 We grant you a limited, revocable, non-exclusive and non-transferable permission to access and use the website for lawful personal, business or organisational purposes connected with learning about or using our services.
- 4.2 You may print or download reasonable extracts for your own internal reference, provided that you do not remove ownership notices or modify the material in a misleading way.

5. PROHIBITED USE

- 7.2 You confirm that you have the rights and permissions necessary to provide the content and that our permitted use will not infringe another person's rights or breach law.
- 7.3 We may remove, restrict or refuse content that we reasonably believe breaches these Terms, creates security or legal risk, or is not relevant to the website's purpose.
- 7.4 Do not submit confidential, special-category or highly sensitive personal data through a general enquiry form unless we have agreed an appropriate secure method.

8. OUR INTELLECTUAL PROPERTY

- 8.1 The website and its text, design, graphics, branding, software, databases and other content are owned by us or licensed to us and are protected by intellectual-property laws.
- 8.2 Except for the limited permission in clause 4, no rights are granted to use our intellectual property. **Free Website Wizards**, our visual identity and associated branding must not be used without prior written permission.

- 9.2 Website content is not legal, financial, tax, regulatory, cybersecurity or other professional advice. You should obtain appropriate advice before acting where a decision carries material risk.

10. THIRD-PARTY LINKS AND SERVICES

- 10.1 The website may link to or embed third-party websites, tools, payment services, videos, maps, social networks or other services. Links are provided for convenience and do not necessarily mean that we approve or control the third party.
- 10.2 Independent third parties apply their own terms and privacy practices. We are not responsible for their content, availability or actions, except where the law makes us responsible.

11. WEBSITE AVAILABILITY AND CHANGES

- 11.1 We do not promise that the public website will always be available, uninterrupted, secure or free from errors. We may suspend, withdraw, restrict or change all or part of it for maintenance, security, operational or commercial reasons.

- 11.2 We may change the website's content, functionality and eligibility or application processes. A change to the public website does not amend an existing client's signed or electronically accepted Agreement unless that Agreement permits the change.
- 11.3 The service-level commitments in our Business Terms of Service apply only to eligible contracted services and not to general use of this public website.

12. VIRUSES AND DEVICE SECURITY

- 12.1 We use reasonable measures intended to protect the website, but we cannot guarantee that it will be free from malware or vulnerabilities. You should use appropriate device, browser, network, backup and security protections.
- 12.2 You must not misuse the website by knowingly introducing malicious or harmful material.

13. OUR RESPONSIBILITY

- 13.1 Nothing in these Terms excludes or limits liability where it would be unlawful to do so, including liability for death or personal injury caused by negligence, fraud or fraudulent misrepresentation, or breach of rights that cannot lawfully be excluded.
- 13.2 If you use the website for business purposes:
 - 39.12 implied conditions, warranties and representations relating to the public website are excluded to the fullest extent permitted by law;

- 14.1 If you use the website for business purposes, you will reimburse us for reasonable losses, liabilities and third-party claims directly caused by your unlawful use of the website, infringement of another person's rights, or material breach of clauses 5 or 7, except to the extent caused by our own breach or negligence.

15. PRIVACY AND COOKIES

- 15.1 Our Privacy Policy explains how we use personal data. Our Cookie Policy explains our use of cookies and similar technologies. Both policies form part of the information made available to website users but do not create contractual rights beyond those provided by law.

16. SUSPENSION AND TERMINATION

- 16.1 We may block or terminate access to the public website or an account where you materially breach these Terms, create security or legal risk, misuse the website, or where access must be restricted by law.
- 16.2 Provisions intended to continue after access ends, including those concerning intellectual property, responsibility and governing law, will continue.

17. CHANGES TO THESE TERMS

- 17.1 We may update these Terms. The latest version will be published with its effective date. Changes apply to use after publication and do not retrospectively amend an existing service Agreement.

18. GENERAL

- 18.2 A delay in enforcing a right is not a waiver of that right.
- 18.3 You may not transfer rights under these Terms without our written permission. We may transfer our rights and obligations as part of a genuine reorganisation, sale or transfer of our business, provided this does not reduce any mandatory rights you have.
- 18.4 These Terms do not create a partnership, joint venture, agency or employment relationship.
